THE
ASHLAND
CHAMBER OF
COMMERCE
ENDORSES
THIS
GIGANTIC
DOLLAR DAY
SALE!

The biggest cooperative sales day ever attempted by any community in this section is on the schedule for Ashland stores, throughout, Wednesday, May 5th, and the City of Ashland will see such a trade day as is seldom witnessed even during the Christmas shopping days. The committee in charge of the dollar day sale expect to see more people on the streets of Ashland than at any time since Colonel Roosevelt spoke here.

The reason that Dollar Day is going to be such a big event is that the Ashland merchants have planned for real bargains that will mean a substantial saving to the public. Merchants have offered bargains that should attract the shoppers. Articles both large and small, merchandise both expensive and inexpensive have been put on the block for Dollar Day at price reductions that will open the eyes of the general public when they investigate the offerings.

Some of the merchants are offering articles that cost considerably more than One Dollar. Others are offering shocking reductions in the regular prices of reasonable high class merchandise. Every line of business will be represented and the shoppers who follow the crowd from store to store will find Dollar Day an exceedingly profitable one for them.

You can bank on this one thing for certain, that in the majority of cases real bargains will be offered. The merchants of Ashland are going to give you more than full value for every dollar spent on Dollar Day because the object of the sale is to advertise Ashland as a shopping center worth while and the merchants are not going to fall down on this proposition on account of any selfish motive. The merchants are going to give you shoppers the treat of your lives. Don't miss it! Now that everything is so high this Dollar Day offers you an opportunity to look ahead and lay in a supply of first class merchandise for future needs.

This Dollar Day sale is an advertising plan to show to the public the value of buying from Ashland stores and the merchants are sacrificing their profits in some cases and a substantial curtailment of their profits in other cases and they are charging off the days work to advertising Ashland as the best shopping city between Cincinnati and Pittsburgh.

Dollar Day is going to be a great day for Ashland and a money saving day for the public to take advantage of the thousands of big value bargains thrown on the market to make a grand success of this gigantic dollar day sale. Shop early and often is the slogan.

POTTER

Our farmers have spent a very busy week plowing, etc., and most all have their gardens planted. Prospects for a good fruit yield are fine. Mr. Morris Skeens was visiting Sunday in West Virginia. We are informed as to whether he was on Tibors Creek. Virgil Skeens went to Catalpa Sunday calling on friends. Goebel Hendley and Cecil Mullins are sojourning in Akron, Ohio. We are sorry to hear of the death of Wm. Layne. Mr. and Mrs. R. T. Hall and family have moved from his farm here to some point above Williamson, W. Va. We are sorry to lose them and are looking anxiously for their return. Miss Margie Curran was shopping in Louisa Friday. Henry Sturgill, of Talora Creek, was calling on friends here Sunday. The stork visited the home of Mr. and Mrs. Ulysses Turk and left a fine boy. Miss Myrno Skeens, who has a position at Huntington, W. Va., is at home, recovering from an automobile accident which occurred recently. Mrs. Albert Hinkins, of Portsmouth, Ohio, passed thru here Saturday en route to her

home after spending a few days with her folks on Horseford. Mrs. Julia Burke attended church at this place Sunday. Services were conducted by Rev. Carroll who delivered a very interesting sermon to a large audience. Miss Corlida Copley was at this place Friday on business. Mr. S. J. Hensley was shopping in Louisa Friday. Steve Curran was the Sunday afternoon guest of Miss Ida Lester. The sick of our town are improving. BROWN EYES.

ULYSSES

There will be prayer meeting at Walnut Grove every Sunday afternoon. Chas. George and Minnie Preston, of Van Lear, were visiting home folks Saturday and Sunday. We are sorry to hear of the death of Mrs. W. Williams, of Louisa. Mr. and Mrs. Marlon Young attended church at Sandy City Saturday and Sunday. Also Mr. and Mrs. Zena Castle. Sorry to report that while Rev. G. H. Young was preaching at Sandy City Sunday his home was destroyed by fire. Also his smokehouse. Everything he had to eat. It caught from the stove at dinner time. Maranta and Georgia Morrison are visiting relatives at Van Lear. Several from Lowmansville attended church here Sunday evening. Mr. and Mrs. Henry Borders spent Saturday and Sunday with relatives at Minds Branch. Mrs. Alice Fraley, who has been sick is able to be out again. Sunday will be our regular meeting time at Walnut Grove. The baptizing that has been postponed so long will be attended to. BILLIE.

NEW BOSTON, OHIO

Smallpox and measles are raging here yet. Tivis Hayes made a trip to Huntington Saturday. Mrs. J. H. Hayes is very low from blood poisoning. The little son of Mr. and Mrs. Floyd Hannin are sick with measles and whooping cough. Mrs. Delbert Hale and little daughter Dorothy Louise, were calling on Mrs. Zack Hale Sunday. BILLY WHISKERS.

"KILL-JOYS"

Constipation, Headache,
Colds, Biliousness ended
with "Cascarets"

Nothing takes the joy out of life quicker than a disordered liver or waste-clogged bowels. Don't stay sick. Bilious, headachy, constipated. Remove the liver and bowel poison which is keeping your head dizzy, your tongue coated, your breath bad and stomach sour. Why not spend a few cents for a box of Cascarets and enjoy the nicest, gentlest laxative-cathartic you ever experienced? Cascarets never gripe, sicken or inconvenience one like Salts, Oil, Calomel or harsh pills. They work while you sleep.

CINCINNATI is Captivating

That's what Charles Dickens said
of Cincinnati when he was here
many years ago. He liked it so
well he came back again!

He was particular-
ly struck with the
"wonderful hospi-
tality" of the peo-
ple here.

That was many
years ago, but our
hospitality hasn't
changed any!

You will say we are
"captivating" and
"wonderfully hospi-
table" also, after you have spent a time
with us. There are many more interest-
ing and beautiful sights to see now than
there were in Dickens' time. He didn't
see any Zoo, for instance, or Art Museum
or Rookwood Potteries, or Union Central
Building.

All Dickens saw and much more is wait-
ing for you now. Come and see "Cap-
tivating Cincinnati"

DISCARDED AS DANGEROUS

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

Take "Dodson's Liver Tone" Instead!

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up and without making you sick, you just go back and get your money. If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to take.

RENEWED TESTIMONY

No one in Louisa who suffers backache, headaches, or distressing urinary ills can afford to ignore this Louisa man's twice-told story. It is confirmed testimony that no Louisa resident can doubt.

G. E. Pigg, tinner and carpenter, Louisa, gave the following statement in June 1909: "For several years I was frequently subject to severe attacks of kidney complaint. I suffered greatly with backache and had difficulty in passing the kidney secretions. Some times the kidney secretions were profuse and then again scanty and highly colored. I got Doan's Kidney Pills at the Louisa Drug Co., and they soon gave me relief."

Lasting Results.

On December 4, 1916, Mr. Pigg said: "Since I used Doan's Kidney Pills some years ago I have had no trouble with my kidneys. My back has kept strong and my kidneys have acted regularly."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Pigg had. Foster-McMillan Co., Mfrs., Buffalo, N. Y.

To the Farmers:-

The farm labor shortage has made it hard for you to compete in production with the farmers who raise wheat, oats and corn for commercial purposes. It therefore remains for you to develop something which he is neglecting. You will find this in SORGHUM. We have created a great demand for Big Sandy Sorghum. This is the year to plant cane. Sugar is short of the demand. Sweets are being used instead. It is up to you to grasp the situation and forge ahead and have something when normal times come to fall back on.

As an assistance to you we have purchased sufficient complete cane mill outfits to take care of the farmers who wish to plant cane. We are also contracting for your entire output either on market prices or we will give you on a finished contract 90 cents per gallon delivered Louisa and furnish the barrels. If you are awake to the situation come to Louisa and go into this matter with us.

We are developing an industry worthy of your support and this year we must have a great production. It is up to you to assist us in forging ahead now, creating a demand and making for you as well as ourselves a standard crop for this section which cannot be duplicated in any other.

CHARLEY MOORE WRITES FROM GERMANY

Base Hospital A. F. I. G.
Coblenz, Germany.
February 29, 1920.

With the American forces on the
Rhine.

Dear People: Just a few lines this
evening in care of the dear old NEWS
as I am very homesick and I will have
to leave something for amusement.

Perhaps some of the Lawrence county
people would like to hear from some
of the Kentucky boys on the Rhine. I
left Paris on the 12th of December and
started for Germany and on my way
here we stopped in a city called Lux-
emburg. It was a very nice place and
like all Americans we got off the train
the train stayed there for about two
hours and we thought we would go in-
to the restaurant and have dinner. Of
course we couldn't speak any Dutch
language but very soon an M. P. came
in and we asked him if he would order
us something to eat as it had been
about twenty-four hours. He told us
he would and he said something I
didn't think that he knew what he said
himself, but very soon dinner was
brought and after we had dinner I
gave the waiter a fifty franc note and
he gave me a hat full of paper, but the
M. P. said it was money. Some of the
bills were worth one half cent and
some of them a little more. Well as I
had a musette bag with me I was able
to carry it by putting the most of it in
the bag. But I will never forget the
coffee that we had there. I don't know
how many marks that one pot of coffee
had brought them for I think that it
had been boiled many times, but I was
very glad to get it for it was the first
that I had since I left Paris the day
before.

Very soon after we had dinner the
M. P. told us that it was about time

that we were getting on the train. We
started for Coblenz and on the way I
saw some of the roughest hills that I
ever had seen. I used to think that
Old Kentucky had some very rough
hills when I had to go out to try to
plow them, but the hills here are much
worse than the hills of Old Kentucky.
Of course I don't mean to say that all
of them are like the ones that I am
speaking about, but I have seen them
so steep here that they had to build
stone walls to hold the soil. I have
seen some very nice hills in Germany,
but I think that France has Germany
beat in every way.

Backpacks are not used very much
by the Americans over here for the
huck is paid \$23 a month and he has
to carry it in a hand bag and the large-
est bill that we are paid is worth about
47 cents and those bills are about 5x7
inches, so you may have an idea about
what amount of paper he has.

One of the boys here said that he
had six months pay due him and he
thought that he would report at the
pay table with a barack bag. I heard
one soldier say the other day that
there was a general order out that all
men having more than 80 cents due
him would report at the pay table with
a wheelbarrow, but I haven't seen that
order yet.

I get the Big Sandy News very of-
ten. Some times it is two months old,
but I am always glad to read it for it
is all new to me. There are lots of
things that I wouldn't hear if it were
not for the dear old paper.

I am very glad to know that old
Lawrence county is getting in line
with the rest and going to have good
roads for I think that if ever any coun-
ty needed good roads it is Lawrence
and I wish them the best of luck.

Paul Moore is expecting to leave
here for the states where he will fin-
ish his education. He expects to go

some time in April.

Dewey says that his best girl has
quit him and the only chance that he
has now is to bring a nice little Ger-
man Fraulein or a beautiful French
Mademoiselle. I think that he could
find a good looking Mademoiselle, but
I don't think that they have good look-
ing Frauleins over here.

Good luck to the dear old NEWS
and to the people of Lawrence county.
Pvt. CHARLEY MOORE.

CATALPA

Our community was greatly shocked
when news reached us last Thursday
evening of the death of William S.
Layne.

The stork visited the home of Mr.
and Mrs. Robert Thompson and left
with them a fine boy.

Mrs. O. L. Suraute has gone to
Weekshury to visit her daughter, Mrs.
Elizabeth Anderson.

Mr. and Mrs. K. C. Potter were in
Louisia Monday.

A large crowd from this place at-
tended the funeral of W. S. Layne
Friday afternoon.

A quiet wedding took place on Mon-
day, April 19, when George Potter was
married to Miss Elvira White of Lew-
is county. This is his third marriage.
May their life be long and happy and
their path be strewn with roses is the
wish of their many friends.

William Rice of Selotville, O., was
visiting relatives at this place recent-
ly.

Let us hear from Cordell again.
